Details

This call invites applications for investments to support new initiatives, or enhance or improve existing activities or places, of a cultural or historic nature that result in growth and job creation in the rural economy.

There is potential to generate new business and employment in Staffordshire from new land-based activities and supporting rural enterprise and the local priorities detailed below highlight the areas of opportunity in the Staffordshire LEADER programme area.

The identified local priorities detailed below reflect the areas of intervention that the Staffordshire LEADER programme looks to address, that will help support a more vibrant and sustainable rural economy across the programme area. Call for bids will need to consider and address the local priorities detailed below -

- To restore or improve built and natural heritage
- To enhance or introduce information and interpretation of heritage features.
- To create new trails, cycle paths and other facilities that link heritage sites with local business activities.
- To promote culture and heritage activity, resources and sites including collaborative initiatives

NB: The Staffordshire LEADER programme looks to help support and improve the rural economy of Staffordshire. Priority will be given to applications that deliver strong economic benefits (jobs) to the LEADER programme area.

Location

Projects must be located within the rural Staffordshire LEADER programme area (<http://staffsleader.org.uk/map-of-qualifying-area/>).

Value

Applications must be for at least £2,500 with a maximum grant amount of £100,000.

For projects requesting grant above £40,000 we would expect them to demonstrate exceptional economic outputs including job creation. The maximum intervention rate is usually 40% however for some non commercial activity a higher intervention rate of up to 80% may apply.

Deadlines

Expression of interest deadline Thursday 2nd November 2017 at 1200 midnight.

How to apply

There are 2 stages to the application process – an expression of interest and a full application. The Staffordshire LEADER Local Action Group will assess applications at both stages and only the highest-scoring applications will be successful. Applicants will need to fill in 2 application forms to apply for a grant: Stage 1: an expression of interest then if successful Stage 2: a full application

Please refer to the Staffordshire LEADER Applicant Handbook and website (www.staffsleader.org.uk) for further details about the application process.

Registering with the Rural Payments Agency

If an expression of interest is endorsed by the Local Action Group, the applicants will need to register with [Rural Payments Agency](#) before submitting the full application. (If they have already registered, they won't need to do this again.) After registering, applicants will get a Single Business Identifier for their application. Applicants must still register with Rural Payments even if they have a Single Business Identifier. Applicants needing support to register for Rural Payments can call the Rural Payments helpline on 03000 200 301.

Decisions on expressions of interest

If an expression of interest is endorsed, the Staffordshire LEADER Local Action Group will ask the applicant to submit a full application.

The LEADER Applicant Handbook explains in more detail what an applicant must do to apply for a grant, how grant applications are assessed and how to meet the terms of a grant funding offer if an application is successful.

The handbook is available to download at www.staffsleader.org.uk
