Details

This call invites applications for investments to support rural community businesses and other activity that leads to growth and job creation in the rural economy.

There is potential to generate new business and employment in Staffordshire from new land-based activities and supporting rural enterprise and the local priorities detailed below highlight the areas of opportunity in the Staffordshire LEADER programme area.

The identified local priorities detailed below reflect the areas of intervention that the Staffordshire LEADER programme looks to address, that will help support a more vibrant and sustainable rural economy across the programme area. Call for bids will need to consider and address the local priorities detailed below -

- Supporting the development of new local community schemes through innovative and sustainable delivery approaches to address the decline in rural services. ie community-owned shops and local community hub activity.
- Support the diversification of existing rural services to e.g. community shops to extend and provide a café for locals/visitors, schools.
- Improve existing rural services and key local businesses such as post offices and pubs
- Rural transport connectivity to access employment.
- Develop the economic potential of community buildings e.g. village halls, as rural business hubs for self employed or to provide tourism accommodation.

NB: The Staffordshire LEADER programme looks to help support and improve the rural economy of Staffordshire. Priority will be given to applications that deliver strong economic benefits (jobs) to the LEADER programme area.

Location

Projects must be located within the rural Staffordshire LEADER programme area (<http://staffsleader.org.uk/map-of-qualifying-area/>).

Value

Grant applications will be available for this call from £25,000 up to £40,000 depending on *state aid already received.

LEADER intervention rate should be calculated at 40% of total project costs.

** A useful approved EU mechanism for State aid is the de minimis regulation, based on the Commission's view that small amounts of aid are unlikely to distort competition.*

The De Minimis Regulation allows small amounts of aid – less than €200,000 over 3 rolling years – to be given to an undertaking for a wide range of purposes.

Deadlines

Expressions of interest deadline 5th October 2018 at 5.00 pm
- EXTENDED to Fri 19th October at 5.00pm.

How to apply

There are 2 stages to the application process – an expression of interest and a full application. The Staffordshire LEADER Local Action Group will assess applications at both stages and only the highest-scoring applications will be successful. Applicants will need to fill in 2 application forms to apply for a grant: Stage 1: an expression of interest then if successful Stage 2: a full application.

Please refer to the Staffordshire LEADER Applicant Handbook and website (www.staffsleader.org.uk) for further details about the application process.

Registering with the Rural Payments Agency

If an expression of interest is endorsed by the Local Action Group, the applicants will need to register with [Rural Payments Agency](#) before submitting the full application. (If they have already registered, they won't need to do this again.) After registering, applicants will get a Single Business Identifier for their application. Applicants must still register with Rural Payments even if they have a Single Business Identifier. Applicants needing support to register for Rural Payments can call the Rural Payments helpline on 03000 200 301.

Decisions on expressions of interest

If an expression of interest is endorsed, the Staffordshire LEADER Local Action Group will ask the applicant to submit a full application.

The LEADER Applicant Handbook explains in more detail what an applicant must do to apply for a grant, how grant applications are assessed and how to meet the terms of a grant funding offer if an application is successful.

The handbook is available to download at www.staffsleader.org.uk
